TO WHOM IT MAY CONCERN

This letter is intended to recommend **Mr. Muhammad Daniyal Khan** for the Masters Degree Program in Computing and relevant sub-disciplines. I have known Mr. Daniyal for the past Three (03) years and during this period, I have found him to be an extremely hardworking, participative, organized, and dedicated person. Overall, he is a highly intelligent young bright mind with extraordinary analytical skills.

As a faculty member and evaluator, I had the opportunity to witness his critical thinking and problem-solving abilities firsthand. He is an exceptionally talented and self-motivated independent young researcher who is able to produce impressive results in minimal time. Mr. Daniyal has demonstrated abilities of scientific and academic writing, good teamwork, and leadership skills. At a personal level, he is a well-disciplined and industrious research student with a pleasant personality. I have always admired his exceptional qualities of endurance, resilience and confidence that are essential for the candidates pursuing research-oriented roles.

Mr. Daniyal is unquestionably an exceptional candidate for research intensive higher degree programs in the computing discipline. He has proven himself to have the perseverance and initiative and the intellectual creativity necessary to complete higher level degrees and to undertake research work independently. I would therefore highly recommend him for the research-intensive roles. If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Sincerely,

Dr. Khubaib Amjad Alam

Head, Principal Investigator (PI) FAST-SEOR
Associate Professor, Software Engineering department,
National University of Computer & Emerging Sciences,
FAST-NUCES, Islamabad, Pakistan
