

Subject: Letter of Recommendation for Mr. Muhammad Daniyal Khan

To Whom It May Concern,

I am pleased to write this letter of recommendation for Mr. Daniyal Khan, a highly motivated and intellectually curious individual.

As his course Instructor at NUCES FAST, I had the privilege of witnessing Daniyal's exceptional academic abilities, strong work ethic, and passion for learning. He consistently impressed me with his insightful contributions to class discussions, ability to think critically, and willingness to go above and beyond to achieve academic excellence.

Daniyal's dedication to his studies, coupled with his outstanding interpersonal skills and natural leadership qualities, make him an ideal candidate for any academic or professional opportunity. I have no doubt that he will continue to excel and make significant contributions wherever his path may lead.

Sincerely,

Bilal Khalid Dar,

Lecturer, Software Engineering Department, School of Computing
